COLORS COLLECTION

Introducing our NEW line Gildi Eco - Acetate

We have chosen tones for this collection that remind us of the incredible diversity of our planet, since it is **NATURE** with its colors that inspires us and reminds us of our commitment to protect it, it is in finding environmentally friendly alternatives.

The Colors Collection is made with Eco-Acetate; a material made from sustainable natural resources, such as cotton seeds and renewable natural adhesives, which makes it a non-toxic, recyclable product, verified by the Forest Stewardship Council, responsible for certifying the material as biodegradable.
